Battery

Battery operated flameless candles

Not all flameless candles are created equal. Our battery products were born from our commercial rechargeable line and carry the same durable and reliable genetics.

Wax Pillars

TruFlame™ Pillars with Timer and Remote

Our new line of wax pillars utilizes the newest technology available. Our TruFlame LED creates the most realistic flame color and flicker available in LED. With three timer settings and an optional remote, you can control the beauty of your environment with ease. Safe and durable, our flameless wax pillars are designed for many years of continuous use.

- TruFlame LED color
- Unscented real wax
- One remote per minimum set required
- 1 Year Limited Warranty

3-STAGE TIMER

REMOTE CONTROL

AA battery version

up to

450 hours
