Holders

Smart Candle's additional products

Smart Candle® presents beautifully designed, practical accessories that both enhance and protect your flameless candle investment.

Holders

Custom Resin holders for indoor and outdoor use

Smart Candle® created glass and resin covered holders emit the perfect amount of light while creating the illusion of real candlelight. Designed to work beautifully with our flameless candles, our holders offer the ideal solution to creating the ambience needed for a variety of indoor and outdoor events and décor needs. Our resin holders are durable, completely covered and weather resistant making them appropriate for all manner of outdoor and boating situations.
